ABOUT DSCE

Dayananda Sagar College of Engineering is approved by All India Council for Technical Education (AICTE), Govt. of India and affiliated to Visvesvaraya Technological University. It has the widest choice of engineering branches having 18 Under Graduate courses & 13 Post Graduate courses. In addition, it has 20 Research Centres in different branches of Engineering catering to research scholars for obtaining Ph.D under VTU. Various courses are accredited by NBA.

The Institute is spread over 25 acres of land with large infrastructure supported by laboratories with state-of-the-art, Equipment & Machines. The Central Library with modern facilities and the Digital Library provides the knowledge base for the students

ABOUT ISE DEPARTMENT

The Information Science and Engineering (ISE) program requires a unique blend of technical expertise and business acumen. With a focus on information systems, computer systems, and business knowledge, the curriculum offers specialized courses in information sciences, providing students with a broad understanding of how to leverage technology to achieve business objectives.

At Dayananda Sagar College of Engineering (DSCE), the Department of information Science and Engineering (ISE) is committed to making a positive impact in the world by providing students with a specialized education in information technology and related fields. With a cutting-edge and curated syllabus, the department offers a seamless and wholesome learning experience, with a focus on:

- Developing specialist skills in the ISE domain
- Preparing for personality development skills on advanced technologies
- Providing access to mentorship
- Preparing for careers in the field

ABOUT GENESIS

- A Family, Not Just a Team – Strong bonds and friendships that go far beyond work.
- Diverse & Dynamic – Creatives, athletes, techies, leaders, and changemakers all under one roof.
- The Four Pillars – Technical, Sports, Cultural, Social – where passion meets purpose.
- Campus Vibes – From cultural fests to thrilling sports, GENESIS brings people together and builds community spirit.
- Beyond Boundaries – Dental camps, education drives, and outreach that make a real difference.
- The Heart of It All – Not just events, but memories, emotions, and lasting impact.

INTRODUCTION TO HACKMAN

- The Challenge – Hosted by the ISE Department of DSCE, HackMan v.8 is a 24-hour marathon of innovation and creativity, where participants rise above challenges and bring bold ideas to life.
- Open to All – Engineering students from across the country come together—beginners exploring their first hackathon and experienced coders chasing their next big win.
- Build What Matters – From industry-inspired problems to tech for social good, this is your chance to craft meaningful software solutions and compete for exciting prizes.
- More Than Just Coding – Collaborate with diverse teams, connect with fellow enthusiasts, interact with industry experts, and even meet potential employers.
- Lasting Impact – For students, mentors, and sponsors alike, HackMan v.8 is more than an event—it's a celebration of discovery, innovation, and connections that extend beyond the 24 hours.

HIGHLIGHTS

Why sponsor Hackman v.8 ?

- VISIBILITY: Promote your brand to tech enthusiasts through multiple on-site and digital platforms for increased exposure.
- COMMUNITY IMPACT: Support the next generation of innovators and contribute to the advancement of technology and society.
- CREATE AN AUDIENCE: Engage directly with attendees through demos and interactive booths to build lasting connections.
- BRAND ASSOCIATION: Align your brand with technology's future — showcase your commitment to innovation and talent.
- RECRUITMENT: Gain exclusive access to skilled participants and discover high-potential talent for internships and roles.
- CONTENT CREATION: Amplify your marketing with event content — capture talks, demos, and interviews to use across platforms.

HOW CAN YOUR SPONSORSHIP HELP US ?

- Driving Real Impact – Your support fuels the infrastructure, tools, and resources that make innovation possible.
- Shining the Spotlight – We showcase your brand to thousands of students, industry leaders, and media across the tech community.
- Empowering Learners – Sponsorship enables workshops and sessions that spark curiosity and build future-ready skills.
- Fueling Bold Ideas – With access to quality software, hardware, and cloud services, participants can bring their best projects to life.
- Celebrating Innovation – Exciting prizes and recognition highlight your brand as a proud partner of creativity and discovery.
